Mark my words, TCC is the best Business School in the universe. The best decision in my life is to undergo TCC CAT and GD-PI trainings. Without pursuing any formal MBA, I can bet that I have done MBA from the best business school in this universe which is TCC. After 'The TCC Journey', and without doing an MBA, I am heading various entities and I am a torch-bearer to various start-ups. TCC is an emotion that is inseparable. Once a TCCian will forever be a TCCian.

From the root to the zenith is the apt remark for the TCC CAT training. CAT lessons are just a subset of the parallel universe that TCC provides. Academic concepts and, more importantly, life concepts that are taught are the foundation pillars for belling the CAT and for the life ahead.

The TCC Journey has been a life-changing experience. It helped me set higher standards for myself. It is because of TCC that I topped in my graduation also. The level, the quality & the coverage of the Concept Classes, Doubt-clearing sessions, Brainstorming sessions & TCC Test Series made CAT easy for me.
